On September 16, 2022, at Docket No. 2174, the Court ordered that, no later than September 30, 2022, the United States, the Commonwealth, and the Monitor would meet with the Special Master to discuss his "Responsive Motion to the Court's Order That the Office of the Special Master Assess the Puerto Rico Police Bureau Reform Office" (see Docket No. 2170), and would inform the Court of any comment or suggestion generated during the meeting.

The Commonwealth responded to that order (see Docket No. 2198) indicating that the meeting had occurred on September 22, 2022, and that the collective opinion of all meeting attendees was that an implementation plan was needed to further define and execute the report's recommendations, and that the Commonwealth would prepare an initial draft of the implementation plan within thirty (30) days and submit it to the parties for comments. The Commonwealth then requested that time period be extended to forty-
